Date: June 18, 2013

Dear Mr. Pruitt

I received the material your office forward to me on June 14, 2013, that pertained to the material the Defendant filed with the Courts. I have reviewed this material and it does not indicate the status of this case, specifically which Court has Jurisdiction. Therefore, will you kindly forward any Court order(s) that has been filed. Also, please, take notice of the attached motion filed with the Marlboro County Clerk of Court office, for this motion contains documentation that are apart of this civil action Complaint Record Filed.

In mind of this motion, Mr. Pruitt, I wish for you to take notice that this motion is highly relevant to the Custody of Plaintiff in the Department of Correction.

More over, please take notice, that the facts in the record establishes Plaintiff is convicted for violating S.C. Code of Law title 16-180 attempt, barring a C.D.R. code of 424. However, the Defendant processed Plaintiff conviction in their C.R.T. Date Base as Kidnapping or Attempted Kidnapping Barring a C.D.R. Code that was not the contents of the "Order of the Indictment."

Re: Case # 2009-34-0521

Date: June 14, 2013

Dear Judge Baxley,

1. Please take notice that the following is a separation of conviction Issues and sentence Issues notice motion. This motion to separate sentence Issues from conviction Issues are based on the following:

a. The petition for a Writ of Certiorari, that Counsel Kathrine H. Hudgins Filed with the Supreme Court, under Appellate case 2012-21-3219, only addresses issues pertaining to petitioner conviction for 16-1-80 attempt,

3. However, Issues concerning the sentence for the conviction of 16-1-80 attempt has manifested itself, and petitioner has filed a Pro Se motion with the Marlboro County Clerk of Court office. see attached document stamped by the Honorable William B. Funderburk,

4. Specifically, your Honor, please review the attached sentencing sheet and Indictment. The Indictment cites two ~~disjunctive~~ offenses,

> 16-03-0910 which is the statute for Kidnapping barring C.O.R Code 0095

> 16-1-80 which is the statute for Attempt barring C.O.R code 424;

5. But, upon reviewing the sentencing sheet a C.O.R code of 1151 appears. This C.O.R. Code 1151 is not supported by statute nor is the subject matter of the Indictment. Therefore, it should not have been submitted to S.C.D.C. Classification for processing petitioner conviction for 16-1-80 attempt

6. In addition, the South Carolina Department of Correction classification Services and Inmate Grievance ~~Branch~~ ^{Branch} are aware of Petitioner sentence issues. see attached Document and Grievance P.C.I. 1249-13.

7. Therefore, petitioner request this Court to Instructed the clerk of Court of Marlboro County to properly file this separate sentence claim under the provisions of S.C. Code of Law title 17-27-20a. and schedule a hearing for this issue.

The Honorable William B. Funderburk

STATE GRIEVANCE (include documentation, and date of incident; if SCDC Policy, indicate which policy).

I believe S.C.D.C. Classification (In Columbia) has misinterpreted the sentence imposed by the Trial Court due to the verbiage attempted kidnapping cited on sentence sheet. Prior to the filing of this grievance, I requested a custody Review via (R.T.S) to Mr. Norman of Perry Corr. Classification see attached RTS for additional information and date of staff disposition. Although on May 22, 2013 at orientation Mr. Norman did not return the sentencing sheets that were attached with the attached (R.T.S) therefore base on Mr. Norman failure to return the sentencing sheet I provided him with the RTS I requesting this Grievance to be submitted for Emergency Review.

WARDEN'S DECISION AND REASON:

Inmate Campbell, John 228072

This is in reference to PCI-1249-13. All pertinent information has been reviewed.

IGC Hindenburg has researched your Wardens Jacket and spoke to classification. Ms. Ogunsile and Mr. Norman verified that they did request a copy of your indictment sheet and delivered it to you in SMU. The indictment sheet and CRT entry both show that you have a 15 year sentence for Attempted Kidnapping. Both Kidnapping & Attempted Kidnapping are classified as violent offenses. The original charge code on your case was 0095 and it was reduced to a 1151 however it still is classified as a felony and violent. As for your custody review, when you are released from SMU you will be scheduled for ICC. Based on this information, I consider your grievance to be resolved. If not satisfied with my response, see Step 5 below.

I believe S.C.D.C. classification [In Columbia] has misinterpret the sentence imposed by the Trial Court due to the verbiage Attempted Kidnapping cited on sentence sheet. It is my understanding that the sentence imposed is in violation of 16-1-80 of the S.C. Code of Law. Therefore according to the statute 16-1-80 the offense itself is not a Felony. In addition, upon examining the Trial transcript there is no statute Attempted Kidnapping just Attempt.
