Thank you, Charles. I emailed my direct supervisor about whether or not to submit additional paperwork, but she is out of the office until Monday. Again, I fully anticipate that I will deliver the transcript to you digitally by Monday in .pdf format.

Thank you for your patience.

Good morning, Charles.

Just wanted to give you an update on the State v Chazz Hurley transcript. It is not quite ready, but I am currently proofreading the closing arguments and will have it completed and delivered no later than Monday. I am going to check with court administration and send in any additional documentation required in the meantime. Currently working in Anderson Family Court this week, but when I have breaks and in the evening I am getting it done. I will certainly be relieved when I can deliver this 1,300ish pager.

I am going to get an invoice worked up when I know an exact page number and send it over to you so that you will know what to anticipate for the copy.

Thank you,
Tara

Thank you.

I have corrected the extension request and my monthly report to match the information on the request for the original transcript caption of State v Narkevious Reid. Please let me know if you need anything further to process the extension request.

I think we can go with the case name/number for the original transcript ordered by Della White and then we can just copy the other two on the extension approval.

Another option would be for me to complete 3 separate extension requests, one for each defendant. I chose not to do that originally because it is the same exact transcript for all three defendants.

I will make any corrections needed, just wanted to see if you have any guidance. Thank you in advance.

Good morning.

I can change the report to indicate all three defendants when I get to the office in a while, but I'm not sure there is room for all three names on the report. Typically I would only use one name if it were a multiple party civil case. I included all 3 in the report to be complete as there are three defendants and all are requesting the same transcript. I have never had a 3 defendant caption that included 7 case numbers. Can you advise which case number I should use? The report will only allow me to add one.

Good afternoon Tara,

On your monthly report you have the case listed as State of SC v Deshawn Chazz Hurley et al but on the extension request you have the name as Narkevious Reid, Xayvion Hill, and Deshawn Chazz Hurley. Please either update the form to match your report or the report to match the form. Also, which case number should we be using for this extension?
