Re: Joe Adams Jr. v. Betty Ogbuneke
Appellate Case No. 2022-000357

Dear Mr. Adams:

The Court received your "Amendment in Opposition to Motion to Dismiss" and the accompanying exhibits on April 3, 2023. The motion to dismiss has already been ruled upon and this material will not be considered. See Rule 263, SCACR.

Further, your amended initial brief of appellant was due to be served and filed by March 31, 2023. Since the amended initial brief of appellant and designation of matter are overdue you must serve and file a motion to file the amended initial brief of appellant and designation of matter out of time. The amended initial brief of appellant and designation of matter must be filed with the motion. These materials must be filed no later than April 21, 2023, or the appeal will be dismissed.

Very truly yours,

A handwritten signature in blue ink that reads "V. Claire Allen".
