Motion to proceed in Forma Pauperus
The State of South Carolina
in the Supreme Court

Appeal of S.C. Court of Appeals (In the Supreme Court)
Case# 2022-0759

John Fontana, Appellant
V
Shady Grove MHP,. Respondent

Motion to proceed in Forma Pauperus

I certify that I filed a similar affidavit with the Court of Common Pleas for the first Appeal on 8/20/21, and it was granted. Since then my financial situation and living conditions have gotten worse. I've been unfairly evicted [without being given any notice or opportunity to give an adversarial stance, (as is my Constitutional Right), against the Respondent's false affidavit claiming I was in Non-Compliance], and all my possessions have been thrown out and destroyed. As of now, my home does not even belong to me! I still have no income, and my health has deteriorated.
For food, there are various COVID distribution sites, especially for Senior Citizens like myself.
I have over $40,000 in debt. I'm waiting for its proper correspondence in order to submit it as proof.
As such, I request an Extension of time to do this before you make your Decision.
Because of the delicate nature of this very personal information, I ask that after you receive it, you seal it and all the specifics of this Motion from the public.
Thank you.
