Re: Rosevelt Doctor v. State of SC
Appellate Case No. 2022-000679

Dear Ms. Howard:

The Petition for Writ of Certiorari and Appendix in the above captioned Post-Conviction Relief Hearing is due today. I am very sorry to have to ask for one last extension in this matter. Between “long COVID” from my second COVID infection, bad side effects from the Paxlovid medication I was given and a horrible allergy season this year, I have really been miserable and sick. I hope the Court will understand. I have been doing nothing but working, sleeping and eating lately. The good news is that I am finally feeling better and my energy levels are improving, just much slower that I would have hoped for. I have the materials I need for the appendix and there should be no further delays in this PCR appeal. I remain,

Sincerely,

S/ *Tara D. Shurling*
