Hello,

Thank you for filing the proof of service. In accordance with the attached deficiency letter, I'm submitting the amended notice that includes the statement of when appellant received notice of the order from which appeal is being taken.

Please let us know if I need to send the hard copies even though we are receiving file-stamped copies from the Court by email.

Thank you!
Diana

Hello,

I represent the appellant in the above-referenced case. We received the attached deficiency letter. My notice of appeal did not clarify that I got the order that's being appealed on March 3. To cure the deficiency within 10 days of the April 14, 2023 notice, do I need to file an amended notice of appeal with the statement of when I got the order, or do I file a separate statement of when I received written notice of the order please?

Regarding proof of service, we have sent the attached to the Court of Appeals today.

Thank you!
Diana
