

The South Carolina Court of Appeals

The State, Respondent,

v.

Rebecca Ann Maxwell, Appellant.

Appellate Case No. 2022-000474

ORDER

Appellant filed a motion requesting this court issue an order unsealing the transcript of an ex parte hearing that occurred during the trial in the proceedings below, in order to allow the court reporter to produce this portion of the transcript to Appellant for purposes of constructing the record on appeal. The State does not oppose the motion. We grant the motion and order that Appellant be permitted to order the transcript of the ex parte hearing that occurred during trial. Further, we order the timelines for filing be held in abeyance pending receipt of this transcript and a prior transcript that was the subject of this court's order dated November 23, 2022.
