Appellate Case No. 2022-000368

Dear Ms. Howard:

We write to notify the Court that the parties have resolved the above-referenced appeal in principle. We will send the appropriate paperwork to affect the dismissal of the appeal once finalized, but we wanted to make the Court aware of the case's status soonest to avoid any unnecessary expenditure of resources by the Court.

We appreciate the Court's consideration of this correspondence. If we can provide any additional materials or information, please do not hesitate to call on us.

Best regards,

/s/ M. Todd Carroll
