Re: In the Matter of the Care and Treatment of Elijah Deshawn Whack
Appellate Case No. 2022-000550

Dear Ms. Kitchings:

The Initial Brief of Respondent and Designation of Matter in the above appeal are due to be served and filed today. However, due to my present workload, I respectfully request an additional thirty days to file the Initial Brief and Designation of Matter. This is a second extension request and is not intended for the purpose of delay.

At the Governor's directive, the State and Appellate Defense (OID) continue to consent to any requests for extensions or out of time filings. This limited consent applies to requests up to and including April 31, 2023.

Sincerely,

Deborah R.J. Shupe
