SC Court of Appeals

I Darryl Redding feel that my case was unruly due to my lawyer Breanna Steiner and the circumstances to racial conflict, concerning my family and I to make us scared and feel that we had no choice but to comply and accept the offer from the state without consent or probable cause for a defense in court. They pulled my family into the hallway and made all of us scared and confused and we felt we had no choice but to comply.

with the ruling and had no
defense or choice to be
proved beyond a reasonable
doubt that by S.C. State
law that my case was
handled properly and without
racial conflict to be observed.
and to properly defend my
case by the constitutional
rights of the United States
of America. We feel that
our case was unfair and
not handled properly and to
pressure my constitutional rights
by way of the defense
attorney and the State of
South Carolina. Thank you
