To Whom This May Concern:

S.C. SUPREME COURT

In reference to Appellate Case No. 2023-000410.
I kindly asks that my case be reopened do to
the fact that on Feb. 9, 2023 I mailed my
notice of appeal to Edgefield County's Clerk of Court
with an attached request to forward a copy to
all parties of this matter. Also pertaining to time
limitations, I cannot ~~be~~ be held within the
statutes of limitation ~~until~~ until my 59(e) motion
has been handled. My 59(e) motion is still pending
of December 2022. Therefore I ask for leave until
this matter until the Motion is ruled upon with its
motion for New Judge.

Also I would now move this Court for a writ of mandamus
to compell Judge R. Linton McIntosh to given a ruling
on the 59(e) that has been pending for over 4 months
now after it's filing, or remove him as judge on the
matter. This is the third time Judge McIntosh has
refused to give a ruling with facts and conclusions
of law. He has failed rule upon the matter of
prosecution misconduct. This is beginning to seem
and show that he has personal interest of not allowing
or hindering me to exhaust my state remedies.
