Re: James Kincannon v. Ashely Griffith (2)
Appellate Case No. 2022-001749

Dear Mr. Kincannon:

The Court received your letter dated April 14, 2023, accompanied by a filing fee for the motion for an extension of time. Upon receipt of your motion for an extension of time, we issued a deficiency letter regarding the fee, as is our usual policy. This letter, however, does not constitute a ruling on your request for the Court to consider your extension without payment of fees. Because you submitted a filing fee, we considered your request to decide the extension without a fee to be moot. If you wish for the Court to issue a ruling on your ADA request, you must file a motion in compliance with Rule 240, SCACR.

Very truly yours,

A handwritten signature in blue ink that reads "Jenny A. Kitchings".
