To Whom It May Concern,

We are writing this letter to request a Motion To Stay to be granted for our family while we await the appeal for our case. We moved here from Philadelphia PA back in 2022 and 6195 Fish Rd is the only place that we have called home since being here. We have (4) children, ages 6,4,3, and 3 months old. I, Tyla McNeill, work from home, and our children attend attend Pre K, and kindergarten at Oakland Primary School. Our youngest (2) children attend Palmetto Prep Academy. These schools are 3 minutes away from our home. We have no family here, and no one to turn to. We moved here to provide a better life for our family coming from a city where it was not safe to allow our children to play outside without the possibility of being harmed. We have begged and pleaded with Southern Touch Properties to have some empathy for us and our previous situation. We have paid rent on time since February. We fell behind 2 moths (never left a month without paying) after a death in our immediate family, I gave birth early to my son who had a serious medical emergency, and I became infected with Covid 19 all within 2 weeks of eachother. We stayed in contact with Southern Touch Properties, and even had a payment arrangements, but they still want to put us on the streets.

We are more than able to pay rent on time, and have even tried to pay the \$800.00 we owe, but they will not accept it. We just ask to not have to explain to our very young children why we have to move again, and why they have to go to a new school for a second time. Causing potential trauma. We ask to be treated as humans who just want the best for theor family. Because of this unfortunate situation, we have gotten 3 filed evictions on our records, making it extremely difficult to find a place to go. Please consider our motion to stay. We have to work extremely hard now to find a suitable place to go, and that will take some additional time. Thank you for your time and consideration. We appreciate any help we are afforded at this time.

Best Regards,
