

To who it may concern I Shenika McIntyre would like to request a motion in this case of common pleas court 2023CP2600448. I feel I haven't been treated fairly and all this was he say she say from my landlord. I have witness and a statement and I also have a petition towards my landlord. I am be wrongly and falsely accused of something I didn't do. All I do is go to work church and home and take care of my baby. I also wish to request to waive the filing fee.

Thank you,

Shenika McIntyre
