Dear Mr. Lewis Ritchie:

Kenneth S. Pinckney & Terry Pinckney
2622-001555

This is my concern to you. A lawyer is before you and hopefully representing you honestly. You are hoping he or she is doing the right thing. You do not attend in meetings, conferences and even emails and other social media.

After the Two hearing of 8 Sep 22, The Transcript has been a issue. Why. It is not so, that I e-mailed Magna for transcript. I don't email. And have not done but only Two (2). They were done about ten (10) years ago. So Attorney Weathers was or has not been truthful in that matter of emails sent from this office by me on by his emails on Mar 28, 2023. On page 114 of scans we will have to mail them on invoice. They could of mailed it to me or Attorney Weathers.

On 6 Oct 21, Attorney Weathers come and gave me a stack of Deposition papers. I sent and received an official copy of the Deposition transcript. Attorney Weathers could of gotten a copy of both transcript from opposing counsel.

No where did I tell him I was representing myself. Upon becoming his client, he told me about the

Appeal process.

The dates on these correspondences/emails are:
Tue, Mar 28, 2023 at 4:30 PM, Page 2/4. The next one is
Thu, Mar 23, 2023 at 8:55 AM and on March 22, 2023
at 2:11 PM, both on page 1/4. Then sent Wednesday 22,
2023 2:10 PM and on Mon Mar 21, 2022 at 10:35 AM
Then on Fri Feb 28, 2022 at 11:55, both on page 2/4

I did not know anything of St. ^{not} until I
received a letter dated 31 MAR 2023. Date on
the letter is March 27, 2023. I received no invoice.
So. Attorney Jeffrey Weather refused the Appellate Court
in being Truth Tel.

I told you I saw Attorney weather in Porter's Gas
Station. He was in the gas stall. He looked at me
and was pained in the face. He drove off. I followed
him. I blew my horn trying to stop him. He would
not stop and went in the direction of I think his
home. I saw him yesterday after hours in his office.
He said he was not suppose to see me. I told him
you told me he was still my Attorney. He said it was
now a conflict of interest that I made the complaint
to the office of Disciplinary Council. He said he told
me about other Attorneys. This he did not do. He said
he did about three (3) Appeals in his appeal. That he
had a Disc from ODC that he had not even looked
at. He had something on his computer I think from
ODC. He said it was voluminous amount of information.

After the 3 Sep 22, Hearing, After I received the
Master-In-Equity Hearing Decision. That is the last I
heard from Attorney weather. I found him twice. Nothing.
no phone call, no letters.

His letter is addressed to the South Carolina

Office of Court Administration. 1220 Senate Street
Suite 201, Columbia, SC 29201. RT, South Carolina
Court of Appeals, 1220 Senate Street, Columbia SC 29201
I am pro-pleyed by this.

I don't know what is going on with Magna
in Philadelphia. I sent them a Complaint letter months
ago, with no return response. My landline phone number
and my cell number have been blocked. My
local Phone Carrier called them on another line & got
through (Home Telephone / Schn. My long Distance Carrier
Technician called Beam next called them and
told them I was calling them and they still
had the line busy. I had been calling about the
Complaint letter I had sent them earlier. Beam
got through with her numbers and stated them I was
calling them with my landline and cell number.

Attorney weather for some reason. Maybe because
I made the complaint against them. But in Oct
17 Oct 22. Did he deliberately stall and did not
bring forth the Transcript to the Appellate Court.

I have taken action by calling Magna in
Philly. To get a Invoice to get the Transcript
But it will be in payments, in about 5 \$/500/mo.
The Transcript is about \$/000.00, I think.

Speaking to you. It seems like Attorney Weather
all he had to do was on Mar 2 and March 22, provide
the Appellate Court as you with a status update. When I
called you on those occasions, I'm waiting for him to do
the right thing and I see he made no contact with
you since Jan January, what was he doing?

Please see the letter I received from South
Carolina Court Administration, South Carolina

Supreme Court, Columbia South Carolina. From
Tiffany Raines, Deputy Director, Court Services. January
30, 2023. We see he did not respond to the Appellate
Court, but on his letter, he responds to Court admin-
istration. RE Kenneth S. Pinckney v. Terry Pinckney
Appellate Case No. 2022-00155

WHY DIDNT He send those EMAIL & Corres-
pondence to you/ the Appellate Court. Will you
Accept them. The on his letter was ~~not~~ Dated
29 Mar 2023. The Dispositional Decision ~~was~~ order
was 04/11/2023.

The Times I called you, I'm waiting for you to do
the right thing. Attorney Weather mailed the emails to
me, (US) before the 04/11/2023 Hearing Dispositional Decision-
order.

There was a few emails (you) before April 2023.
why? why didnt he send them to the Appellate Court?
why? isn't he responding to the Appellate Court?
These emails should be evidence of the
status updates of whats going on with the Transcript.
We know now what I am waiting on the
Invoice to order the Transcript by installments.

In Jesus Name

Sincerely

Pinckney, Kenneth S.

Dear Mr. Pinkney:

In response to your recent correspondence concerning a deposition transcript prepared by a court reporter employed by Ray Swartz & Associates of South Carolina, please be advised that our office has no oversight as it relates to private court reporters or court reporting agencies.

Any complaints related to a transcript from a non-Judicial Branch court reporter should be directed to that agency, as you have done. Beyond that, you may address in the appeal process any inaccuracies you believe to exist.

Sincerely,

Tiffany Raines
