MOTION TO REINSTATE APPEAL AND MOTION FOR EXTENSION OF TIME

In accordance with Rule 207, Appellant requested a transcript of the proceeding from the court reporter. On March 28, 2013, Terri Morrill received the transcript via email. This date also happened to be the first business day since her retirement from the practice of law. In the interim, the undersigned also had a request pending to be added as attorney of record in light of Terri Morrill's retirement. As soon as reasonably possible, the undersigned became aware the transcript had been received and thereafter sent a letter advising of the transcript receipt. For good cause shown and pursuant to Rule 260, the Appellant requests reinstatement of the appeal.

Further, pursuant to Rule 224, Appellant moves before the Court for an extension of time to file and serve Appellant's Initial Brief and Designation of Matter. Appellant's attorney respectfully requests the Court extend the date for an additional thirty to forty-five days.
