RE: Inaccessible Legal Files;

Alonzo C. Jeter v State, App. Case No. 2023-000024, et al

Dear Honorable Clerk:

I filed a 'Motion For A Temporary Restraining Order and/or Preliminary Injunction', with this Court on March 17, 2023.

I asked that this motion be filed and applied in all of my cases globally, i.e. Appellate Case Nos. 2023-000024; 2017-001777; and any and all other cases which I have pending in this State.

I am unable to name specifically these case numbers because I do not have any files from those cases. I am also unable to mail many letters because I am limited to receiving only 3 envelopes and 10 sheets of paper per month for legal purposes mailing.

I would like to inform this Court that I have been shipped from Manning Correctional Institution, to MacDougall Correctional Institution. However, albeit I have been shipped, I have still been denied to receive my legal case files and legal files to include drafts and research and other documents pertinent to my proceeding in my cases. I have still not received 2 (two) of the sealed green

duffel bags.

I again express that I would like my matter to be considered a priority matter and that this court compel the Manning administration to transport the 2 two green duffel bags to me. These bags should remain sealed and there should be some level of accountability which would prevent and bear witness that no dilatory actions have continued.

I ask that the video recorder be used for this purpose and that Manning's transportation officers be caused to deliver, personally these bags to MacDougal Correctional Institution, rather than handing the bags to a ~~3rd~~ Third-Party for delivery.

Lastly, please do provide me a file-stamped copy of this correspondence by way of the provided self-addressed stamped envelope.

Thank you for your assistance in this matter,

Sincerely,

Alanzo C. Jeter, III
