Hi, here is a motion to be filed with the courts to proceed with any hearings on any matter in relevance to the aforementioned cases. A copy has been served upon all parties awaiting a reply. Also the previous motion sent in has not been replied to and per scrc any motion that comes over no objection is automatically granted in favor of the moving party so please send any objections to this email or so grant the motion. This motion was heard days ago. I hereby move this court for an answer today or grant the said motion. Which is a motion to dismiss.
