SC Court of Appeals

RE: Troy Wilson v. Carolina Custom Painting & Drywall,
LLC and Jamie Singleton, 2021-000266

Dear Ms. Kitchings:

Per the Court's March 28, 2023 Order, please consider this a written status update regarding the above-referenced matter. On April 24, 2023, I emailed opposing counsel and Judge McCoy about a hearing to reconstitute the record. I also had a phone call with opposing counsel on that date. The initial communication was not done within the ten-day deadline because I was briefing a summary judgment motion at the time of the Court's Order and overlooked it until after the ten days had passed. In any case, we are emailing with Judge McCoy's chambers at this time on how to proceed. I have proposed that the attorneys for both sides attempt to agree on a reconstructed record, which would consist of the briefs filed by the parties and certain exhibits in the record. If the parties agree on a reconstructed record, and Judge McCoy approves, then would submit this to the Court of Appeals. I will continue to update the Court in accordance with the schedule set forth in the Order.

Very truly yours,

/s/
