RE: Phillipa Smalling v. Dr. Lisa R. Maselli  
Appellate Case No. 2019-001304

Dear Ms. Howard:

Pursuant to this Court's July 16, 2014, Order (Order No. 2014-07-16-01) concerning extension requests, Petitioners request a twenty-day extension of time to serve and file their petition for writ of certiorari and appendix regarding the Court of Appeals' denial of Petitioners' Petition for Rehearing. The Court of Appeals denied Petitioners' petition for rehearing on March 30, 2023. Thus, the current deadline for a petition for writ of certiorari is May 1, 2023. With the additional twenty days, the petition for writ of certiorari and appendix would be due May 22, 2023, because May 21, 2023 falls on a Sunday.

This is Petitioners' first extension request for this filing. The request is based on the undersigned counsel's recent work-related travel and case obligations. Petitioners submit that no party is prejudiced by this extension request.

Our check in the amount of \$50.00 is being mailed to the Court. Thank you for your consideration of this extension request.
