Good afternoon Ms. Clark.

I have received your letter dated April 24, 2023 sent via USPS regarding the above referenced transcript order.

I have searched our database and could not find where we had received a transcript request for the above referenced matter. As I looked over your letter again, I realized that you did not use the correct e-mail address for the transcript e-mail requests. The e-mail you will need to use to send your transcript requests is [transcripts@sccourts.org](mailto:transcripts@sccourts.org)

If you can resend your transcript requests, we will get them processed.

Thank you,
