Dear Clerk,

I represent Christopher Woody in the case of Woody v State, 2018-CP-46-1650, an appeal from a PCR in Union County. The Respondent's counsel is Zachary Jones at the Attorney General's Office. For the purpose of service he has been copied on this email. Attached for filing and electronic service please find the Transmittal letter, Notice of Appeal, Certificate of Service for the Notice of Appeal, and because there is no transcript from the circuit court in this case please also find the Petition for Writ of Certiorari, Appendix, Certificate of Redaction for the Appendix, Certificate of Service for the Petition and Appendix and related documents. I attempted to file and serve the Petition and Appendix and related documents yesterday but in error omitted the Notice of Appeal and Certificate of Service for the Notice of Appeal. I am therefore re-submitting all of the above documents for filing by this email on today's date. All of the documents have been re-drafted to show today's date so that they will all be consistent. If I need to do anything further to perfect this appeal please let me know.
