SC Court of Appeals

Ms. Taylor,

Thank you so much for the update. Rest assured, I understand completely and would expect for family to be anyone's top priority. Please take the time you need and don't feel as though you need to place more pressing matters aside. I just wanted to make sure that both you and I are adhering to the Court's rules, such as filing for any extensions you might need or my following up with you in the future.

Wishing the best for you and your family,
Donald Eaton

Mr. Eaton, I apologize for the delay in getting your transcript to you. I was on family sick leave and apparently marked your transcript as complete in my records by mistake! I will get this to you ASAP.

Mr. Eaton, thank you for your polite understanding.

Although the transcript exceeded my estimate by a small amount, I am waiving this fee, and there will be no further charges.

Thank you.
