The clerk will mail a copy of the judgment to parties who are not E-Filers or who are appearing pro se. See Rule 77(d), SCRCP.

The Court required post-trial motions. Defendants' counsel made no motions and are therefore waived. Plaintiff's counsel moved for a Judgment Notwithstanding the Verdict. "A motion for JNOV may be granted only if no reasonable jury could have reached the challenged verdict." Welch v. Epstein, 342 S.C. 279, 300, 536 S.E.2d 408, 419 (Ct. App. 2000) (citing Crossly v. State Farm Mut. Auto Ins. Co., 307 S.C. 354, 415 S.E.2d 393 (1992)). "The jury's verdict will not be overturned if any evidence exists that sustains the factual findings implicit in its decision." Id. (citing Smalls v. South Carolina Dep't of Educ., 339 S.C. 208, 528 S.E.2d 682 (Ct. App. 2000), Hunter v. Staples, 335 S.C. 93, 515 S.E.2d 261 (Ct. App. 1999)). Moreover, when considering the motion, the trial court has no authority to decide credibility issues or to resolve conflicts in the testimony and evidence. Reiland v. Southland Equipment Serv., Inc., 330 SC 617, 500 SE2d 145 (Ct. App. 1998). "In ruling on a motion for a directed verdict or JNOV, the trial court must view the evidence and the inferences that reasonably can be drawn therefrom in the light most favorable to the party opposing the motions." McNaughton v. Charleston Charter School for Math & Science, Inc., 411 S.C. 249, 259, 768 S.E.2d 389, 395 (2015) (citing Sabb v. S.C. State Univ., 350 S.C. 416, 427, 567 S.E.2d 231, 236 (2002)). If the evidence provides more than one inference or its inference is in doubt, the trial court must deny the motion. Id. Viewing the evidence presented at trial and the inferences that can reasonably be drawn from it in the light most favorable to the non-moving party, the Court finds that a reasonable jury could have reached a verdict in favor of the Defendants. Further, the jury's verdict must be upheld if there is any evidence to sustain the factual findings implicit in the verdict. Sorin Equipment Co., Inc. v. The Firm, Inc., 323 S.C. 359, 474 S.E.2d 819, 823 (Ct. App. 1996). The Court, further finds, the any evidence standard is more than amply met by the factual findings implicit in the jury's verdict. Moreover, the Court finds the verdict does not shock the conscience of the Court, and is not the result of caprice, passion, prejudice, partiality, corruption, or other improper motives. The Court ruled on this matter at the conclusion of the motion and incorporates those findings of fact and conclusions of law as if stated verbatim. Also, the Court ruled contemporaneously on any motions made during the course of the trial and incorporates those findings as if stated verbatim within this Order. Therefore, Plaintiff's post-trial motion for JNOV is heard and respectfully Denied. Verdict is entered in favor of the Defendants'.
