

The South Carolina Court of Appeals

The State, Respondent,

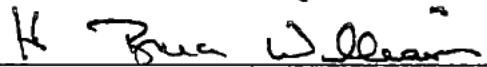

v.

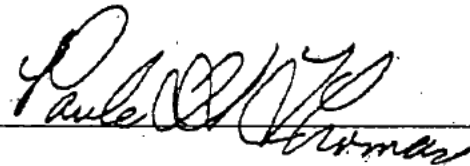

Seth Hassan Smith, Appellant.

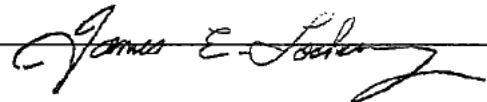

Appellate Case No. 2019-001418

ORDER

On March 15, 2023, this court issued an opinion affirming Appellant's conviction and sentence. The remittitur was sent on March 31, 2023. Upon receipt of notice of the remittitur, Appellant immediately filed a motion to recall the remittitur, explaining he had served the State with his petition for rehearing on March 24, 2023, but inadvertently neglected to file it with this court. The State takes no position on Appellant's motion. After careful consideration, the remittitur is recalled and the appeal is reinstated. Appellant shall file his petition for rehearing within fifteen days of the date of this order.
