2. I was operating my business for many years before the OBEOD ordinance was passed and the sale of the products which are now illegal have been sold by me for years prior to the enactment of the OBEOD ordinance.

3. That as managing agent of Ani Creation, Inc. d/b/a Rasta I have already purchased inventory of over \$140,00.00 to sell this summer, and as managing agent of Ani Creation, Inc. d/b/a Wacky T's I have already purchased inventory of over \$130,000.00 to sell this summer. This inventory includes cigarettes, smoking pipes, tobacco, CBD oil, tobacco paraphernalia items and other products which are now illegal to be sold in my stores.

4. I request that this Court delay implementation of its Order until September 5, 2023. This will allow me time to sell most of these items this summer and will limit my losses, at least in regard to my ongoing inventory.

5. I respectfully request this Court consider this request as Ani Creation, Inc. d/b/a Rasta and Ani Creation, Inc. d/b/a Wacky T's will have inventory that they cannot legally sell and will take a huge loss in either trying to sell this inventory at a discount to someone else or having to just get rid of it completely without being able to recover any monies.
