Re: Bobby Jo Clark, as Personal Representative of the Estate of Richard Clark
v. Fairy Bell Irving, et al., Appellate Case No. 2012-208166

Dear Mr. Heyward:

I received your letter of inquiry concerning the representation of the respondent in this matter. As was recited in the extension motion filed June 18, 2013, I have been associated by respondent's trial counsel to represent the respondent in this appeal. No substitution of counsel has been filed because trial counsel, Christian G. Spradley, also represents the respondent in this appeal.

Very truly yours,

Katherine Carruth Goode
