Ms. Brown-

I just wanted to confirm that you need the sound for this hearing transcribed and that you will be covering the cost for the official transcript? As soon as I get your confirmation, I will work on the transcript.

Thanks for letting me know,
Suesan

Christina,

I have given the recording to Suesan Richardson to transcribe. Your firm will be responsible for the cost of transcription as the Court is not provided funds. If needed, she should be able to give a cost estimate.

Ms. Brown,

The Court does have a recording (1 hr 51 mins) for the above listed case. The Orangeburg Master-in-Equity does not have a court reporter on staff and neither attorney arranged for a Court reporter to be present. Both attorneys present agreed to recording the hearing. I am not a certified court reporter; however, I can contact a court reporter to transcribe the hearing and have them forward the invoice to your firm.

Barbara
