Mr. Smith,

Did you amend my last PCR application & include all of the grounds? Can you send me a copy? Also send a copy of the letter I submitted.

And for the withdrawal. First & foremost you know the details of this case before you took it. If you don't want to represent me that's fine but we not about to make no b.s. excuses. I have grounds & the case has plenty merit. Inadmission has nothing to do w/ the fact I've been wrongfully convicted w/ the assistance of a ineffective lawyer. Especially after being coerced.

You told me that you can get this conviction vacated & get me home, all I've been trying to do is communicate with you so we can get this squashed away. You've not even replying to my letters, I've been requesting for you to schedule a lawyer call so we can discuss this stuff. I agreed to a 10 year sentence, that is the only reason I even signed a plea & agreed to plea.

Schedule a lawyer call so we can discuss this. I want to get this taken care of.

John Palmer
