hello,

Yesterday and today we called your court. Yesterday we were told that the record would be straightened up and the clerk also told us that the record is being fixed. Today we looked at the record and everything appears the same, not fixed and when we checked our email, we saw that there is no reply from you, so today we called the COA again, but as many times before nobody picked up the phone and we heard an outgoing message that your employees stepped away. When we called the COA again, we heard the same outgoing message. We will try to call again, but please straighten up the record NOW, because we've sent you (2 times) almost identical documents for our (2) two cases on appeal, and yet one of the cases (our case against Morales) reflects everything correctly while the case against Curtis erroneously shows as though we didn't send you the documents pertaining to us ordering transcripts and our negotiations/communications with the court reporters when in reality we have sent it all to you for both cases. We're asking you to straighten things up in our case against Curtis, otherwise we'll have problems, and we're running out of time for you to fix the record so it would reflect the reality demonstrated to you.

Hello,

How come you've only posted this correspondence in one case we have on appeal, and not in both cases we have on appeal? Your error creates an impression that we didn't timely file these filings in our other case against Curtis. Please correct the mistake asap, because there is an Order issued accusing us of not doing this timely when in reality we did. We've also been corresponding with 3 reporters and we can send you copies of those correspondences too, if you wish. Let us know if you want us to email them to you.

P.S. Here is one of them:

hello,

We are waiting on a ruling from the COA to see, if they'll grant us our Motion in Forma Pauperis. We'll be in touch after their ruling.
