

The South Carolina Court of Appeals

The State, Respondent,

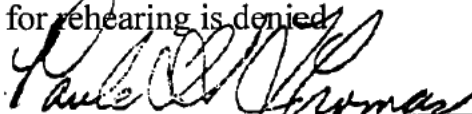

v.

James Reginald Rose, Appellant.

Appellate Case No. 2023-000375

ORDER

On March 31, 2023, this court received correspondence from Appellant in which he asserts dismissal of this appeal was improper. We construe this correspondence as a petition to rehear the dismissal. After careful consideration of the petition for rehearing, the Court is unable to discover that any material fact or principle of law has been either overlooked or disregarded, and hence, there is no basis for granting a rehearing. Accordingly, the petition for rehearing is denied.
