APPEAL FROM THE ADMINISTRATIVE LAW COURT SC Court of Appeals
S. Phillip Lenski, Administrative Law Judge

Case No.: 22-ALJ-22-0098-AP

Appellate Case No. 2022-000982

Miya S. Freeman, Appellant,

v.

South Carolina Department of Employment
and Workforce and Amazon Com Services, Inc, Respondents.

MOTION FOR EXTENSION OF TIME TO AMEND DESIGNATION OF MATTER TO INCLUDE
REQUIRED DOCUMENTS

Pursuant to Rule 263(b), SCAR, Appellant, Miya S. Freeman, respectfully submits this motion requesting a fourteen-day extension of time [from May 5, 2023 to May 19, 2023] to file and serve Appellant's corrected Record of Appeal and Designation of Matter.

On April 7, 2023 and April 10, 2023, respectively, I filed my Amended Record of Appeal to include Designation of Matter and Proof of Service. At the time of their submissions, I genuinely believed they met the administrative and legal requirements of the actions they sought. As a *pro-se* Appellant, I understand that my lack of technical knowledge of the law does not relieve me of the requirement to meet the court's procedural requirements. To overcome the shortfall in my knowledge,

through in-person visits, I sought and acted on the advice and recommendations of clerks in the outer offices of the court.

The Appellant requests this extension to fully research, understand, and separate from my amended appeal those documents that were not included in my original submission. Approval of this extension will provide enough time to complete this action. For the foregoing reasons, the Appellant respectfully moves that her motion be granted. Further, the Appellant requests all time limits and timelines be held in abeyance pending the resolution of this motion.

Respectfully Submitted,
