I apologize for sending three separate emails but it took me a while to find each form. This is the only form I could find on the website for a motion to stay I don't know if this is the correct form

My name is Atia Johnson and I'm writing to appeal an eviction decision that was made on May 11, 2023. There was a previous appeal that was dismissed on May 11, 2023. However, I don't believe that the ruling was fair and I would like the case to be heard by a higher court. I was served a Writ of Ejectment on May 11, 2023, with a date of May 16, 2023 at 10:00 am. I am hoping to have my case heard before then to stop the eviction process. I will pay the fees associated with the filing ASAP. Attached are the forms that I was told I would need to start the process. I do believe this is an emergency because I have two kids that will be homeless if the eviction goes forward. Thank you for your time.
