RE: Reco Goldbolt v. State of South Carolina
Case No. :

S.C. SUPREME COURT

Dear Mr. Shearouse:

This correspondence is an endeavor requesting that Your Office forward a copy of the **Notice of appeal and all attached documents** that were filed with this Honorable Court, on my behalf, by my then attorney/counsel, Mr. Grant Smaldone. This request is due to the fact that, I was convicted in the Sumter Court of General Sessions on December 7, 2012, and haven't received any documents pertaining to my appeal process. My family has previously contacted your office, and was advised that the **Notice of Appeal** has definitely been filed with this Honorable Court, however, I have not received any documents indicating such by Mr. Smaldone nor any attorney/counsel that may have been appointed to my case from the Appellate Defense's Office.

Your assistance in this matter will be greatly appreciated!
