

The South Carolina Court of Appeals

The State, Respondent,

v.

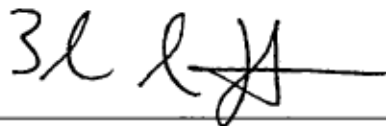

Theodore Jerry Bolick, Appellant.

Appellate Case No. 2020-001497

ORDER

On April 7, 2023, Appellant filed a motion to amend the amended record on appeal. Respondent did not file a return. Appellant asserts that he failed to include a two-page order in the amended record on appeal, and he asks this court to incorporate the order by reference in light of the costs of preparing another amended record on appeal. We decline to incorporate the order by reference; instead, we order Appellant to file and serve a supplemental record on appeal containing only the two-page order within thirty days of the date of this order. The supplemental record on appeal shall comply with Rule 210, SCACR. Respondent may file an amended final brief of respondent within twenty days of the date of receipt of the supplemental record on appeal.

Appellant also filed a document titled "Motion and Evidence in Support of Conflict of Interest." Appellant sought no relief in the motion; therefore, we take no action on this motion.
