Ms. Kitchens,

The copies of my appeal I received are incorrect .

I believe the cause can be found in the Order dated March 24, 2023 (6 pages) .

That order was delivered to the court printed front and back on 3 pages .

Please check the original documents , I filed yesterday, and let me know when I can pick up the corrected filed copy of our appeal.

Thank you and kind regards,

Allen Sires- appellant

Ms. Harrison.

I should be added to the appeal . The honorable Judge Goodstein ordered an investigation. That order was not followed or is not complete. David Pascoe was assigned to conduct this investigation.

I informed the Court that the offices of Mr. Pascoe have no files or record of any such investigation.

This is a failure to obey an order of the court.

From July of 2003 to present , class counsel , Diocese of Charleston defendants and the Archdiocese of Boston have fraudulently concealed the Interstate trafficking of pedophile priests.

The lower Courts of South Carolina are consistently used to avoid this core crime

against appellants and the State of South Carolina.

Respondents have provided no no release of liability from this pro se appellant ,
to any court .

The Diocese of Charleston waived the Statute of Limitations in this case standing
before the Honorable Judge Dianne Goodstein in 2007.

Thank you and kind regards,

Allen Sires- pro se class representative
