MOTION FOR ADDITIONAL TIME TO RECEIVE TRANSCRIPT

The appellant Rhonda Meisner, respectfully requests an additional 60 days to receive the transcript in this matter, based on mistake.

The court reporter notified the appellant that payment must be made before the transcript would be created. For pro-se parties, personal checks are not accepted despite the fact this Honorable Court and the Supreme Court accepts personal checks. Nevertheless, the appellant failed to secure the required certified check due to heavy workload and mistake by the appellant to begin the process and requests additional time for the Court Reporter to provide the transcript.

The appellant avers the extra step of having to secure certified funds prior to production coupled with the appellant's mistake is good cause to provide for additional time because this requirement is not made of attorneys.

Respectfully,

Rhonda Meisner
