Good afternoon, Dayne:

I'm hoping to file the Petition and Appendix in the appeal for Harold Cartwright v. State (2022-001088) soon. The Appendix is too large to send via email, so I was wondering if you would consent to receive service of the Appendix via Kiteworks (a third-party service our office uses for sharing large files). Unlike with email, I believe I need your express consent to serve you via a third party. If you accept electronic service via Kiteworks, please let me know. If not, I can arrange for a physical copy to be printed, and we can serve you with that.

Thanks,
