Motion To Reinstate

I am submitting a motion to reinstate my case #2023-290 certifying that I have requested the transcript from my digital hearing on Dec 16, 2023 with Judge Joceyln Newman Case#

2023-290 by emailing my completed Transcript Request Form to tholmes@ssccourts.org where she has confirmed receiving the document. I never received the letter stating that one should be requested and submitted with my case. On 5/17/2023 I received a letter in the mail stating the case was dismissed because I failed to order the transcript. When I followed up with the appeal courts I was informed that the letter was mailed out on 04/12/2023 to notify me to obtain the transcript. I never received this request. This is the second time I have not received an important notice pertain to the case as the first document not received when stated was the actual case decision. I am extremely overwhelmed by this situation as there was an eviction notice placed on my door on 05/25/2023 stating I would be evicted on 05/26/2023. In the time I have been waiting for my case to be heard I have lived at the property with no issue. Passed multiple inspections Please allow my Motion to Reinstate Case#2023-290 as the decision has to come from the courts to allow me to continue to live at my residence as the CHA states.
