Hi Mr. Bankhead,

I hope you are doing well. When I checked the audio recordings for October 13, 2022, no sound was recorded for your hearing or other hearings that day. We requested our IT Department review the issue and they could not determine what happened, and were unable to get sound from the recording. If you would still like the recording, one may be provided directly to you. Please let me know and I will provide directions of how you may gain access.

Respectfully,

Robin
