

The South Carolina Court of Appeals

William Cathcart, #249565, Appellant,

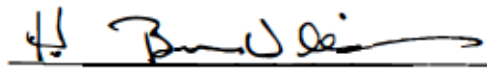

v.

South Carolina Department of Corrections, Respondent.

Appellate Case No. 2022-001331

ORDER

On March 8, 2023, we ordered Appellant to file an amended record on appeal. On March 30, 2023, Appellant filed an amended record on appeal. Thereafter, on April 26, 2023, Respondent filed a motion to require Appellant to file a corrected record on appeal. According to Respondent, the amended record on appeal does not include the "Administrative Law Court filings," which were designated by Respondent. The "Administrative Law Court filings" included "the Record on Appeal which was filed in the Administrative Law Court." and contained "Appellant's sentencing sheets, conviction inquiry screens, Appellant's max-out date calculation worksheet, and also the Laurens County Detention Center jail time report among other documents." After careful consideration, we order Appellant to file and serve a supplemental record on appeal containing the "Administrative Law Court filings" within thirty days from the date of this order. This supplemental record on appeal will supplement the amended record on appeal already on file with this Court. Respondent shall file its final brief within twenty days of receipt of the supplemental record on appeal.
