Re: The State v. James A. Brown, Jr.
Appellate Case No. 2023-000851

Dear Mr. Brown:

The Court received your document purporting to appeal from the trial court's decision to grant your motion in arrest of judgment. Our review of the public index under the General Sessions case number provided does not reflect a recent ruling from which appeal could be taken. To the extent that you are attempting to file a motion for a new trial pursuant to Rule 220(b), SCACR, at the Court of Appeals, this Court lacks jurisdiction to act in the absence of a timely served notice of appeal. For these reasons, we will not take any further action on your filing.

Very truly yours,
