RE: *John Patton and Tara Patton, Appellants,*
v. Palmetto Contracting Services of York County, LLC and Lester Van
Epps, Respondents.
Appellate Case No.: 2023-000740

Dear Ms. Kitchings:

As you may know, the **Initial Brief** of Appellant is required to be served and filed on or before the beginning of next week. Appellant respectfully requests a thirty (30) day extension of time pursuant to Rule 263(b), *SCACR*, to serve and file the Initial Brief. Additionally, this request is made on the grounds that the Appellant had ordered and received a transcript that was delivered on March 31, 2023 but is currently inaccessible due to an expired link that was sent by Huseby electronically and directed to Appellant's spam box. Below is proof of the electronic delivery and expiration of the link. Enclosed is a check for the required filing fee of \$50.00 for this request.

As this is Appellant's first request regarding the **Initial Brief**, Respondents should not be prejudiced in any way due to this request. Thank you for your assistance in this matter. Please do not hesitate to contact me with any questions or concerns.

Regards,

C. Baxter Burnette IV
