Appellate CA No. 2023-000762

Ms Howard,

I just spoke with my sister and she informed me of your conversation however I still have some questions and concerns. 1<sup>st</sup> I have read the SCACR and I have complied with Rule 243 (c) I'm wondering what are my next steps. Do I await the court ruling on my "Explanation on why PCR application was not successful." before I do anything else? Did I need to do an appendix for the attached document I sent with it? I assumed since it wasn't a petition of writ yet and just an explanation I didn't need to do one. If I do can I please be granted 2 weeks extension to do so. I await your response and thank you in advance for your time and help.

Sincerely,  
Prebett Cannon
