Re: Gary Hearn v. Laurens County Assessor
Appellate Case No. 2013-000753

Dear Counsel:

Upon reviewing your respondent's initial brief, the following deficiency or deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within ten (10) days of the date of this letter:

- The initial brief is not accompanied by a designation of matter to be included in the record on appeal. It is not necessary for the respondent to file a designation of matter, however it was indicated by the proof of service that one was served.
- A proof of service has not been provided for the respondent's initial brief. The proof of service provided indicates the designation of matter having been served. You must serve and file a proof of service substantially in the format shown by Form 7 in Appendix C to part II of the SCACR.
- The document is not accompanied by a cover. Please see Rule 267 of the SCACR.

Very truly yours,

V. Claire Allen, Deputy
