S.C. SUPREME COURT

Mr. Shearhouse.

I got your response today about the matter I sent to Chief Justice Dean Tolson. And stating that she is Chief Justice & they don't understand why she is not able to help me. And I also understand that I am represented by Counsel. But this is why I have come to her for help because Counsel's that have been appointed for me case starting from my plea to my P.C.R. Has fail to do what I want in my case. Now I have come to Chief Justice and you all want even look in to this matter. How can a man get 40 years for check cashing and my indictment clearly states that forged less than (\$500) only carries five (5) years. I sent you all a copy of the indictment and sentencing sheets. But if there is nothing you all can do for me will you please send me back everything I have sent to Chief Justice. But I will just wait until my case gets in to Federal Court. you have people out here killing, raping, robbing and get less time than I did for forged and you all can't help me? Thank you for your time anyway. Will you please send me back everything that I have sent
