

# The South Carolina Court of Appeals

Aryee Henderson, Petitioner,

v.

State of South Carolina, Respondent.

Appellate Case No. 2021-001521

---

## ORDER

---

Petitioner's application for post-conviction relief was denied by Judge Newman. No notice of appeal was filed. Petitioner now seeks a writ of certiorari from an order issued by Judge Henderson granting Petitioner a belated review of Judge Newman's order pursuant to *Austin v. State*, 305 S.C. 453, 409 S.E.2d 395 (1991).

Based on the vote of the panel, the court grants the petition for a writ of certiorari from Judge Henderson's order, dispenses with further briefing, and proceeds with an *Austin* review of Judge Newman's order.

The petition for a writ of certiorari from Judge Newman's order is denied.
