MOTION TO EXTEND TIME FOR REQUESTING TRANSCRIPT

COMES NOW Christopher R. Geel, counsel of record for the Petitioner/Appellant King Conyers in this matter, and hereby moves the Court to extend the time for requesting transcripts of proceedings in the court below, pursuant to Rule 207. Present counsel was retained to represent Conyers during his PCR proceeding below, and has performed all services that were contemplated in connection with that matter. Conyers now seeks to appeal from the denial of his PCR, but present counsel has not been retained to handle the present appellate matter. On June 6, 2023, present counsel received notice from Conyers' family that new counsel had been retained, but no attorney has filed a substitution of counsel at this time. In light of the foregoing, Conyers respectfully requests that this Court hold the time for requesting transcripts in abeyance for 30 days while the foregoing matters are resolved.

Respectfully submitted,
