Appeal from Judge Leitra H. Verdine

Circuit Court Judge case 2002-0525-1000

Appellate case no 2020-001421

Dear clerks of Court of SC court of Appeals

You granted me an extension of time to file my motion for a rehearing in referenced Appellate Case 2020-001421, until May 22 2023 which is today. I had prepared another Motion or Request for an extension of time to file my petition for a rehearing which would be my second motion or request. I went to the mail room to get copies made to send to the opposing party to find out the copying machine wasn't working in the mail room. The mail room officer went to programs to make copies, when she gave them to me, I notice that she didn't copy everything. It was court time 3:30 pm I went back to my dorm, by this time program services was closed, so I had to wait until the next day to get copies of the rest of my motion. See enclosed the proof of service was stamped May 22 2023; but the actual Motion for extension of time was not copied, had it been, I would have meant the May 22 2023 dead line.
