

The South Carolina Court of Appeals

The State, Respondent,

v.

Jamie Goss, Appellant.

Appellate Case No. 2021-001271

ORDER

Appellant has filed a motion in "opposition" to Respondent's initial brief and designation of matter, which we construe as a motion to strike. After careful consideration, the motion is denied.

Respondent has filed a motion to strike the record on appeal filed by Appellant on April 17, 2023, and require Appellant to file an amended record on appeal. After careful consideration, the motion is granted. Within thirty days of the date of this order, Appellant shall file an amended record on appeal that complies with the South Carolina Appellate Court Rules. *See* Rule 210(c), SCACR ("The Record on Appeal shall include all matter designated to be included by any party under Rule 209 and shall comply with the requirements of Rule 267. The Record shall not, however, include matter which was not presented to the lower court or tribunal."); Rule 210(c)-(g), SCACR (providing the required content and format for the record on appeal).
